More Than \$500,000 in college scholarships awarded as PIEF prepares to celebrate 30 Years!

PROGRAM OVERVIEW

The Pearl and Ivy Educational Foundation (PIEF) Scholarship Committee traditionally awards three sets of annual scholarships:

- (1) The PIEF high school scholarships, awarded each spring and open to graduating seniors enrolled in District of Columbia public high schools and public charter high schools;
- (2) PIEF “returning” or “renewal” scholarships, awarded to former PIEF high school scholarship recipients currently enrolled and in good standing at colleges/universities as rising sophomores – rising seniors; and
- (3) Xi Omega undergraduate scholarships, awarded to members of the three undergraduate chapters of Alpha Kappa Alpha Sorority, Inc. (Alpha Chapter at Howard University, Beta Lambda Chapter at the University of the District of Columbia and Lambda Zeta Chapter at American University) supervised by the Xi Omega Chapter.

Each set of scholarships is application-based, with students required to submit a written application, supporting documentation, and for the first two categories of scholarships an essay responding to a designated question.

2018 HIGHLIGHTS

PIEF celebrated its 30th anniversary with a formal reception in downtown Washington. Nearly 100 PIEF members, community partners, donors, sponsors, and former PIEF scholars attended.

Dr. Amanda Alexander, District of Columbia Public Schools Interim Chancellor and PIEF member, opened the program with greetings and accolades for PIEF's commitment to DC students. Ms. Anaia Peddie, a 2008 graduate of Benjamin Banneker High School and former PIEF scholar, was the keynote speaker. Ms. Peddie graduated Phi Beta Kappa from Spelman College with a Bachelor's of Arts in English Literature and Spanish Language/Linguistics. She has returned to the District, where she currently serves as program manager for Minnesota Avenue Main Street at the Washington Area Community Investment Fund—an initiative to revitalize, develop, and promote the Minnesota Avenue commercial corridor and neighborhood in northeast Washington. Ms. Peddie shared how receiving a PIEF scholarship positively impacted her life and her decision to give back to her community by working in the nonprofit sector.
